**ANNOUNCEMENT
NEGATIVE PROFIT ALERT FOR 2025 INTERIM RESULTS**

This announcement is made by Datang Environment Industry Group Co., Ltd.* (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment by the Board of the latest available unaudited consolidated management accounts of the Group for the six months ended 30 June 2025 and the latest information available to the Board, the Group is expected to record a profit before tax ranging from RMB350 million to RMB400 million as compared to a profit before tax of approximately RMB478 million for the six months ended 30 June 2024.

The expected decrease in profit before tax is primarily attributable to (1) the overall decline in thermal power generation in the People's Republic of China, which resulted in lower revenue and profit from the desulfurization and denitrification concession projects; and (2) the excess one-off revenue from certain projects due to settlement in the same period last year, but no similar situation has occurred during the six months ended 30 June 2025.

The Company is still in the process of finalising the Group's consolidated interim results for the six months ended 30 June 2025. The information contained in this announcement is only a preliminary assessment by the Board based on the latest unaudited consolidated management accounts of the Group for the six months ended 30 June 2025, which have not been audited or reviewed by the auditor or the audit committee of the Company and maybe subject to adjustments. The detailed

audited financial information of the Group shall be disclosed in the interim results announcement of the Company for the six months ended 30 June 2025 to be released in due course in accordance with the Listing Rules.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.
